Savannah College of Art and Design – BFA Production Design *Expected Dec. 2027*

Work History:

SCAD Savannah Film Festival: Intern

Savannah, GA | 2025-Present

- Supported pre-festival planning and on-site operations for a multi-day film festival, including theater setup, inventory management, volunteer coordination, and VIP guest services.

Lake Oconee Church: Production Team

Greensboro, GA | 2023-Present

- Operated switchboard, camera, and audio systems while serving as Stage Manager and collaborating with production teams to ensure smooth live and recorded production operations.

Weidmann & Associates: Intern

Greensboro, GA | 2023-2025

- Supported contractors and project management on active job sites, including planning, budgeting, scheduling, material coordination, architectural scans, and cross-team collaboration.
